State Rep. Veronica Gonzalez, D-McAllen, and State Sen. Juan "Chuy" Hinojosa, D-Mission, talk with each other before a dinner held Thursday night at the Pharr International Convention Center by the Valley Partnership Foundation honoring the Valley's delegation in the Texas Legislature. Proceeds of the event are going toward a new scholarship that the foundation is starting. Scholarship recipients Esperanza Cantu, left, and Jeremy Martinez, both of Edcouch-Elsa High School, are among ten students from across the Rio Grande Valley who received scholarships from the foundation.
